News

The Tel-Aviv Stock Exchange Updates the Criteria for Inclusion of Shares in the TASE Indices to Protect the Indices' Investors - TASE Prescribes a New Criteria for the Entry of Seasoned Shares into the Indices - a 6 Month Qualification Period in the Eve- The modifications are intended to prevent the entry of shares into the TASE indices without appropriate qualification periods, despite the occurrence of significant events in the companies. The new Criteria only applies to seasoned shares that are not included in the TASE indices. It does not apply to shares that are listed on TASE in an IPO or under dual listing, nor does it apply to listed shares that are included in the TASE indices. [For additional information](#)

TASE Announced the first company to list its shares on TASE UP platform- TASE launched the TASE UP platform with Veev, the first private company to list its shares on TASE UP. Having completed a financing round

of approximately US\$ 100 million, the shares of Veev will be listed on TASE UP, an innovative platform that allows technology companies to raise capital without performing an IPO On TASE UP. [For additional information](#)

Membership

TASE members including 11 Israeli banks, 6 brokerage firms, 3 foreign banks and 3 remote members and they are comprise by the Bank of Israel (Israel's central bank). The TASE supervises its members by virtue of the Securities Law. The TASE permits international banks and investment houses that have no permanent representation in Israel to become 'remote members'.

Dual Listing

Companies traded in the USA and on the London, Hong-Kong, Singapore & Toronto Stock Exchanges (Main Markets) can dual-list their shares on the TASE. Dual-listing, which does not entail significant costs, imposes no additional regulatory burden and offers continuous trading from 10:00 to 23:00 (Israeli time), for companies listed in the USA.

There are currently 51 dual listed companies on TASE and USA or London.
